

THE WAY AHEAD FOR THE BRT

Jean-Yves Le Gall

Arianespace Chairman and CEO

EU-side BRT Co-Chair

THE WAY AHEAD FOR THE BRT

- Strengths of the BRT today
- Assessment of achievements
- Challenges for the BRT

STRENGTHS OF THE BRT TODAY

- Joint high-level industrial discussion forum
- Mandate from Authorities and their commitment
- Assessment and recommendation capability
- New shared resolve and sense of urgency

ASSESSMENT OF ACHIEVEMENTS

- Progress has slowed down
- Most of the difficult problems remain
- Asymmetry of stumbling blocks

CHALLENGES FOR THE BRT

- Translating Recommendations into change
- Changing gears in a win-win relationship
- Thinking "out of the box"

WHAT WAY AHEAD FOR THE BRT?
